Program

Day 1:

First canyoning tour (e.g., Iragna or Pontirone) or Boggera Superiore tour (helicopter flight package, approx. 8 hours).

Followed by an optional BBQ or pizza dinner with the crew (not included in the price).

Day 2:

Second canyoning tour (e.g., Iragna or Pontirone).

The guides will select the canyon based on the conditions.

A person wearing a red wetsuit, a grey helmet, and a harness is rappelling down a rock face. They are holding onto a rope and looking towards the camera with a smile. The background is a river with dark, rippling water. The scene is set outdoors with large grey rocks and some green plants at the bottom left.
